SACRED HEART PARISH MISSION STATEMENT

The people of Sacred Heart Parish are members of The Body of Christ. We accept our baptismal call: to provide a warm and welcoming place for all to freely worship, to minister to all, especially the ill and the needy, to offer a program of faith formation for all ages of our ethnically diverse parish community and to witness the Gospel by the way we live our daily lives.

My Dear Friends

When we see God with true sincerity of heart and God passes us along our way, it is only then that we will be able to cry out, "Jesus, son of David, have pity on me!" We have to truly want to be healed by, and in union with, God in order for us to reach out to him. If God is only an abstract idea, theory, or someone found in the pages of a book, there is no motivation for a relationship and no desire to seek him. God needs to be real in order for faith to be real. It's all about the journey.

St. Augustine reminds us that "to fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him the greatest human achievement." We strive after many things and mercy is not always one of them. We think that we can find fulfillment and healing in other things only to discover that we are still short and empty. From the moment human beings were created, God has been calling us and seeking us. He has been walking right beside the human story from the minute He first breathed life into the first human soul. Are we able to recognize God as He walks with us? At some point we have to realize that there is only one way to satisfy the deepest longings of the human heart and that is in relationship with our Creator. We are called to this. However, we make the huge error of thinking that what we are hearing is coming from somewhere else. We become confused. Every human being would certainly profit with wisdom if they realized Who calls them and to Whom they belong.

Then and only then will we realize that it is only our Divine Master who can give us true vision and heal us. Once we recognize and reach out for the merciful presence of our loving Maker, we will be able to see with our soul, understanding the true nature and depth of all things. God's mercy is always available. It doesn't matter how far we have strayed or how blind we become, God patiently waits to console us, guide us and heal us. All we need to do is desire Him. Once we reach out, we also realize that there is no greater love to be found than God's, no human adventure that comes even close to the thrill of a spiritual search, and no human achievement even remotely as satisfying as union with Him. This is where we belong. This is salvation.
