SACRED HEART PARISH MISSION STATEMENT

The people of Sacred Heart Parish are members of The Body of Christ. We accept our baptismal call: to provide a warm and welcoming place for all to freely worship, to minister to all, especially the ill and the needy, to offer a program of faith formation for all ages of our ethnically diverse parish community and to witness the Gospel by the way we live our daily lives.

Pentecost Sunday, June 5:

Please bring any sick member of the parish in for a healing service at the 10 am and 12 noon Mass.

My Dear Parishioners:

Unity and diversity can exist together. Our western minds have a grave difficulty seeing unity without conformity. We tend to believe that unless everyone believes the same thing, assents to the same body of truths, styles, and opinions, unity is not possible. Jesus, in today's Gospel, expresses a tenderness and an intimacy that the disciples actually can witness. This same tenderness and love are also reflected in his desire for unity and oneness. Jesus passionately wants all to be one. It is very clear that the success of Jesus' mission and the advance of the Gospel rises or falls with whether this unity is achieved. And it is a unity that is achieved around a person and not particulars.

Our church is extremely divided. These divisions all center on various theologies, philosophies, structures, and styles. We allow these particular concerns and interpretations, valid as many can be, to drive wedges between us and put us at odds with each other. They enrage us and cause us to lash out at other members of the Body of Christ. Differences are bound to exist in any group. We are unique and diverse people. Staunchly clinging to particular agendas and ideologies while waving the "we're right, you're wrong" banner as we forge ahead in battle does little to advance the real mission of Christ. We are perceived as weak, fractioned, self-focused and serving, and lacking empathy and love. How can the work of salvation be accomplished like this? We sacrifice our credibility. For what?

"I am the Alpha and the Omega, the first and the last, the beginning and the end." These words describe exactly who the glorified Christ really is. Jesus wants us to see this glory! Believe this! This is the unifying principle that draws the Body of Christ together as one, not our particular preferences of worship! We give too much power to our preferences, and all too easily forget that the real mission of Christ is much more than that! If we can work at truly loving each other as members of Christ's Body despite the differences that can so quickly divide us, then maybe we'll be a bit more convincing to those who do not believe. The Risen Christ comes to us through the Eucharist. It doesn't matter where or how. Gather wherever you can and receive. We cannot substitute Jesus' passion with our own. We are one.

Note from Fr Paul

Before Pope St John XXIII became pope, he served as a Vatican diplomat and would often attend banquets with elegantly dressed people. Once, he was seated next to a rather robust woman who, to tell the truth, was wearing a dress too small for her body. She was practically coming out of it. St John XXIII did not say anything during the meal, but at the end he picked up an apple and handed it to her. Surprised, she said, "Thank you, but why are you giving me this apple?" Blessed John replied, "It has to do with our mother Eve. It wasn't until she ate the apple that she realized her lack of clothes!" Perhaps, this summer we should have a basket of apples at the entrance. If you were given one, you would know why. With the days getting warmer, there is sometimes a problem with the way people dress for Mass. Remember, you dress one way when going to the beach or camping, but a different way when you come to church. Try to wear your finest clothes, of course, to look nice, but not to be a distraction during Mass. Fr Paul
