SACRED HEART PARISH MISSION STATEMENT

The people of Sacred Heart Parish are members of The Body of Christ. We accept our baptismal call: to provide a warm and welcoming place for all to freely worship, to minister to all, especially the ill and the needy, to offer a program of faith formation for all ages of our ethnically diverse parish community and to witness the Gospel by the way we live our daily lives.

The Annual Parish Picnic will be held this year on Sunday, August 28 at the American Legion Hall at 903 Main Street in Margaretville, NY 12455. The morning Mass will be held at 11 am with the picnic to follow. There will be NO 12 pm Mass in Andes that Sunday so the St Anne's parishioners may attend the picnic.

Hamburgers, hot dogs and the fixings, drinks and dessert will be provided. We would like people to sign up if they plan to attend the picnic so we can have a rough estimate of how many are coming. We would also like volunteers to bring a dish to pass if they are able. There will be a sign-up sheet in the back of the church after Mass today and for next two weeks. Please make sure you put your name down and the dish you plan to make.

We hope that all of you will be able to make it. We look forward to seeing you all there. God bless!

My Dear Parishioners:

An inward transformation occurs in a person who decides to follow Jesus Christ. Things change. They see the world differently, understand their journey more deeply and profoundly, have their sights fixed on eternity and union with God and hold themselves to higher standards and virtues. It requires a conscious choice to be a Christian, and this choice must be renewed at least daily. While the basic premise of Jesus' message may appear heartwarming and straightforward: love of God, neighbor, and self, the implications of doing so are challenging. The true disciple is called to live radically, and often finds themselves at odds with the world or even with those in their own homes.

Holding ourselves to higher standards comes with a price. We have to leave other things behind. It is difficult to be people of faith, hope, and love in a world often fixated with its own fulfillment and self-absorption. Justice, temperance, prudence, and fortitude require sacrifice if they are to be lived with integrity. God's ways are not ours. This becomes crystal clear to those who have enough courage to stand against the tide. Putting love into action requires that we challenge accepted modes of doing business and fight complacency. This is what makes the saints stand out as witnesses. They are simply

sinners, just like us, who persevere.

People do not want to be told that they're sailing their ships in the wrong direction. Clinging to their insistence and need to be correct, they can become defensive when challenged. This can happen even with those closest to us. As much as the Gospel calls us to unity, it also can easily create division. When we love seriously, we encounter more than feelings of warmth and acceptance. "What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like (St. Augustine)." Love also has the courage and honesty to tell people what they may not want to hear but need to, and model, without wavering, a life of humble, loving, and faithful service. Don't lose heart! There are many examples of faith before us and around us. If Jesus endured the voices of opposition, so too can we. There is no need to apologize for speaking the truth.

Prayers:

If you want to request prayers for the sick, contact the Rectory, so their names could be added to the list for the month. Thank you.
