RESPECT LIFE:

Abortion providers have admitted that when people are praying and witnessing in front of the abortion mill, 30% of their appointments don't show up. Many women have admitted that if someone would have been praying outside the day they had

their abortion, they would never have aborted. It is time to pray that babies will be saved. If not us, who? If not now, when? Your prayer is needed.

Do you know of someone who is suffering from a past abortion? There is hope and healing available (www.sistersoflife.org)
