Dear Parents,

Yes, it is that exciting time of summer to registration for the Faith Formation Program starting in September. It is important to register now, so the books can be ordered and received before classes start.

This year there will be a major change, due to the shortage of Faith Formation catechists. The children will be homeschooling with their parents this year unless we get volunteers to help.

There is an exception of the sacramental grades, which are First Holy Communion and Confirmation. They remain a two-year program, both class and Mass attendance on a face-to-face weekly basis is a must. All other students must attend Mass on weekly basis as well as completing your activity book.

As we get closer, you will receive more information concerning the policies and procedures of the Faith Formation Program. In the meantime, enjoy the rest of your summer and stay safe, healthy, and happy.

If you have any question or concern, please contact me either by phone or email.
