Please respond to the Appeal by making a pledge that you can pay to the end of June 2024. Your gift directly helps our parish to pay its share of the important work of the Diocese. The Solemnity of the Ascension of the Lord commemorates the fortieth day after the Resurrection when Jesus ascended body and soul into Heaven and took His seat at the right hand of His Father. The Ascension is believed to have occurred less than a mile east of the Old City of Jerusalem. The event is found in the Gospels and Acts (Mk 16:19-20; Lk 24:50-53; Acts 1:6-12) and is alluded to in Jn 6:62; Ephesians 4:7-10; 1 Timothy 3:16; and 1 Peter 3:21-22.

The Ascension marks the completion of Jesus' earthly mission. He first united His divine nature with human nature through the Incarnation at the moment of the Annunciation. St Thomas Aquinas teaches that from that moment on, Jesus, the Son of God, experienced three types of knowledge. First, being God, He had beatific knowledge, that is, a direct knowledge of His, the Father's, and the Holy Spirit's essence. Second, He had the perfection of infused knowledge, that is, a bestowal of all truths given to the angels in Heaven, especially those truths necessary for the completion of His divine mission. Third, He began to acquire learned knowledge, or experiential knowledge. This was the form of knowledge attained through His human nature from the senses and His human reason.

As Jesus fulfilled His mission, His learned knowledge continued to grow until it was perfected in human form. It was never imperfect in the sense of sin, but only in the sense of growth through human experience and human love. He experienced all things, allowed the perfection of His beatific and infused knowledge to guide His human experiences, and brought those human experiences and knowledge to perfection. His free embrace of the Cross manifested the perfection of divine love in human form, and His Resurrection brought that perfect unity of human and divine love to a new and transformed resurrected state of human existence. Today we commemorate that Jesus took His perfected human nature into the Beatific Vision, enabling humanity itself to follow.

The final stage of the salvation of humanity will take place when Jesus returns to judge the living and the dead. At that time, every human body will rise, will endure the final purification and transformation, and will share in the new and resurrected state in which the faithful will stand, body and soul, before the Most Holy Trinity and experience the fullness of the Beatific Vision forever. What Jesus has already accomplished in His human form is what we look forward to in hope at the end of time.
