Thoughts on Prayer by Sister Sue from the DRCC

I spent my retreat near a river...and did a lot of river pondering and praying!

When and how is my prayer like the river?

~ flowing freely

~ frozen over

~ breaking free from the ice

~ low with dry river beds on the edges

~ full to over flowing

What life is teeming in my "prayer" river?

What is uncovered when the river begins to dry up?

What sources feed my river?

May our God, who is the Water of Life, continue to teach us the lessons of the river!

"For God so loved the world, that He gave His only Begotten Son, that whoever believes in Him should not perish but have everlasting life."

A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer."

[Saint Pope John Paul II, The Gospel of Life (Evangelium Vitae), n. 100].
