*Thoughts on Prayer by Sister Sue from the DRCC*

I spent my retreat near a river...and did a lot of river pondering and praying!

When and how is my prayer like the river?

~ flowing freely

~ frozen over

~ breaking free from the ice

~ low with dry river beds on the edges

~ full to over flowing

What life is teeming in my "prayer" river?

What is uncovered when the river begins to dry up?

What sources feed my river?

May our God, who is the Water of Life, continue to teach us the lessons of the river!
