Thoughts on Prayer from the DRCC
www.dslcn.org

Do you ever wake up in the middle of the night and have a hard time going back to sleep? Or have you ever just had a restless night? I have found that instead of being anxious that I am not asleep, I can let it be a good time to pray.
~ Sr. Sue

Here are some ways to pray in the middle of the night:

- ~ Pray by name for all of those you are concerned about
- ~ Use a breath prayer – on the inhaled breath in acceptance, and on the exhaled breath out surrender
- ~ Pray the rosary or some other form of repetitive prayer
- ~ Count your blessings instead of sheep
- ~ Make a mental gratitude list for all that happened the previous day

God gives us the sacred gift of rest – whether awake or asleep, may it be yet another form of prayer!

From such an unlikely situation, Jesus chose one of the foundations of the Church, a man others, judging from his job, thought was not holy enough for the position. But Matthew was honest enough to admit that he was one of the sinners Jesus came to call. He was open enough to recognize truth when he saw him. "And he got up and followed him" (Matthew 9:9b).
